IVY SV 600

SUPER NARROW SEMI-VERTICAL
MULTI-DECK

IVY SV 600 combines a compact footprint with a generous display height, delivering strong product visibility while fitting seamlessly into modern store environments. IVY SV 600 is designed as a true plug-in integral solution, offering high display performance with simple installation, efficient operation, and easy maintenance.

Benefits & Specifications:

- Plug-and-play convenience cooling with no drains or pipework
- Remote case look and display performance in a self-contained solution
- Cost-effective CAPEX solution using natural refrigerants
- Low energy use with reduced heat rejection
- Pull-out condensing unit for easy Access
- Future-proof refrigerant system
- Designed for easy operation and maintenance
- Fixed speed or inverter drive options
- Optimized evaporator and condenser for low refrigerant charge
- Hermetically sealed system with low charge and zero leakage

Dimensions (mm):

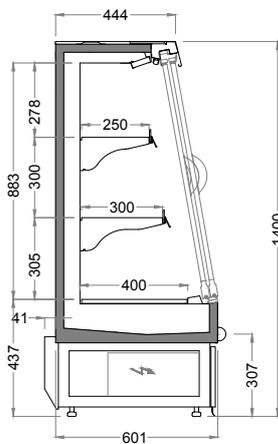

Height : 1400
 Length : 1250 / 1875 / 2500
 Depth : 640

SYSTEM	TEMPERATURE CLASS	REFRIGERANT	ENERGY CLASS
PLUG-IN	M1 – M2	HC HFC HFO	

* Contact us for details on alternative refrigerant options.

* The energy class value has been calculated based on the 2500 mm length with a double glass door.
