# IVY SV FROZEN

SEMI VERTICAL  
INTEGRAL FREEZER CABINET

**IVY SV FROZEN** offers a compact, glass-door freezer solution that delivers excellent product visibility while maintaining stable low-temperature performance in modern store environments.

**IVY SV FROZEN** is designed as a true plug-in integral freezer, combining easy installation, energy-efficient operation, and reliable daily performance in a single self-contained cabinet.

### Benefits & Specifications:

- This is convenience cooling. No drains, no pipework, plug & play
- The look, feel & display area of remote case stores
- The most cost effective delivery of natural refrigerant stores for capex
- No water loop required. Low energy and heat rejection. Truly plug & play stores
- Condensing unit on pull out tray
- Refrigerant future proofed
- Designed for both the store operator and maintainer
- Fixed speed or inverter drive
- Optimised evaporator & condenser design for low charge refrigerant
- Hermetically sealed system, low charge and zero leakage

### Dimensions (mm):

Height : 1650  
 Length : 1250 / 1875 / 2500  
 Depth : 801

SYSTEM	TEMPERATURE CLASS	REFRIGERANT	ENERGY CLASS
PLUG-IN NEGATIVE	L1	HC HFC HFO	

\* Contact us for details on alternative refrigerant options.

\* The energy class value has been calculated based on the 2500 mm length with a double glass door.
