Kaplanlar

L I M E S T O N E

SEMI VERTICAL PRODUCE CABINET

LIMESTONE offers an ideal solution for the attractive display and sale of fresh fruit and vegetables.

LIMESTONE features a clean, open design with strong visual impact, making it perfectly suited for fresh food areas in environments ranging from hypermarkets to convenience stores.

LIMESTONE is designed to highlight product freshness and color while ensuring easy access from all sides, enhancing product presentation and encouraging customer interaction.

Benefits & Specifications:

- Energy-efficient operation
- Keeps fruit and vegetables fresh and crisp
- Suitable for a wide range of food products
- Modular design for flexible layouts
- Low operating costs with easy installation and maintenance
- Easily adaptable for retrofit projects
