VERTICAL INTEGRAL CABINET

FROZEN

Design a store your way

Harmonised convenience store design

IVY chilled & IVY frozen

Enable Simple Store Construction & Remodels

THE ABILITIES

- Mobility
- Flexibility
- Portability
- Sustainability
- Maintainability

The Easiest Way to Add Refrigeration Capacity

Benefits & Specifications:

- This is convenience cooling. No drains, no pipework, plug & play
- The look, feel & display area of remote case stores
- The most cost effective delivery of natural refrigerant stores for capex
- No water loop required. Low energy and heat rejection. Truly plug & play stores
- Condensing unit on pull out tray
- Refrigerant future proofed
- Designed for both the store operator and maintainer
- Fixed speed or inverter drive
- Optimised evaporator & condenser design for low charge refrigerant
- Hermetically sealed system, low charge and zero leakage

Options:

- HFO, HC or HFC/HFO self contained dependent on geographical market
- Castors in addition to adjustable feet
- Various shelf profiling options
- Controller options to meet client specification

TECHNICAL DATA

Dimensions (mm):

Height : 2000
 Length : 1562 / 2343
 1250 / 1875 / 2500
 Depth : 790

SYSTEM	OPERATING TEMP. °C	REFRIGERANT
PLUG-IN NEGATIVE	-22 / -24 - 20 / -22	HC HFC blend HFC / HFO blend

HC: R290 / R1270 • HFC: R407A / R407F / R404A
 • HFC / HFO: R448A / R449A / R452A
